Choose the Unit: Grams or Kilograms

3rd Grade Measurement Worksheet

A gram is very light, like a paper clip. A kilogram is heavy, like a big bag of rice.

Pick grams or kilograms. Write the better unit on the line.

Name: _____ Date: _____

1. Best unit for a lawn mower: kilograms or grams? _____
2. Best unit for a chair: grams or kilograms? _____
3. Mass of a spoon: grams or kilograms? _____
4. Best unit for a banana: grams or kilograms? _____
5. Mass of a tennis ball: grams or kilograms? _____
