Estimating Sums

3rd Grade Place Value & Rounding Worksheet

Round both numbers. Then add them. An estimate is close to the real answer.

Round each number first. Then add the rounded numbers.

Name: _____ Date: _____

1. Round to the nearest 10. About how much is 38 + 77? _____

2. Round to the nearest 10. About how much is 269 + 336? _____
